## IN THE SENATE OF THE UNITED STATES

OCTOBER 5, 2021

Mr. TUBERVILLE (for himself and Ms. LUMMIS) introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

---

## A BILL

To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Foreign Adversary  
5 Risk Management Act” or the “FARM Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1           (1) United States agriculture and supply chains  
2           are critical to United States economic success and  
3           prosperity, and should each be classified as critical  
4           infrastructure and critical technologies.

5           (2) Agriculture is the lifeblood that helps to  
6           feed United States families nationwide. As such,  
7           food security is a matter of national security and  
8           should be a top priority of the United States.

9           (3) To prevent harm to the United States pub-  
10          lic health sector and to prevent disruption to the  
11          United States economy and food supply chains, the  
12          increasing influence foreign countries may have on  
13          the United States agriculture industry and agri-  
14          culture supply chains should be mitigated.

15 **SEC. 3. UNITED STATES AGRICULTURE INCLUDED IN COM-**
